jeans during Club Competitions is unacceptable attire on the course. At all times members and non-members must dress appropriately. A neat casual dress code applies to all people using the Clubhouse & Course.

Unacceptable attire in the Clubhouse or on the Course: Shirts without a collar, Sleeveless/singlet tops, Work wear Beach apparel, Gym clothing, Shoes with heavy treads or thongs, damaged or dirty clothing.

Bowral Golf Club has a soft spike policy. Golf shoes may be worn in the Clubhouse provided they are clean and free of mud and grass.

Dress standards for dinners or dining-in nights are detailed on the Club's noticeboard for each event. It is the responsibility of Members to inform their guests and visitors of these requirements.

The interpretation and enforcement of acceptable dress is at the discretion of the Secretary Manager or his/her representatives including all Clubhouse staff, Pro-shop staff and Board members of the Club.

Any complaints should be made in writing to the Secretary Manager who will take the appropriate action or refer it to the appropriate Board Member or Committee.

GOLF ETIQUETTE

Members are reminded of their responsibilities as outlined in Section 1 of The Rules of Golf. Copies of the Rules are available from the Secretary Manager.

PRACTICE

The Club has a practice putting green adjacent to the clubhouse terrace. There is a practice area and chipping green between the 1st Tee & the 18th green. Members may also hire range balls from the pro shop. Members may also play practice strokes to an adjacent fairway in the direction of play from any area of rough on the Course PROVIDED that players on the Course are not inconvenienced. Practice from/on fairways are not permitted. Sand Buckets must be carried at all times when practicing and divots repaired. When using the practice area between the first and eighteenth fairways on competition days, practice balls must be collected prior to competitors playing those holes. Members may play a practice round on the Course but no more than TWO BALLS are to be used.

MEMBERSHIP CARD

Members are reminded that they must carry their membership cards as the course is patrolled by staff. (revised 18/01/2018)

WHEN THE COURSE IS CLOSED PRACTICE OF ANY TYPE IS NOT PERMITTED.

The Pro Shop uses the first fairway for lessons and its availability for practice should be confirmed with the Pro Shop. Under no circumstances are greens other than the practice

green to be used for practice. Members should note that any breaches of the above will be referred to the committee and may result in playing rights being suspended. The protection of the Course is paramount.

SLOW PLAY - EXPECTED CONDUCT (contact the pro-shop) Bowral Golf Club encourages “Ready Golf” however, safety of playing members is paramount. Members must be diligent in avoiding slow play and the low marker in your group is responsible for maintaining an acceptable pace of play. Your group must keep up with the group ahead. If your group is more than one hole behind the group ahead, allow the group behind to play through. Players searching for a “lost” ball should signal the group behind them to play through, as soon as possible. In Par and Stableford events players must pick up when unable to score at least a half or a point.

Members are reminded of the correct procedure addressing issues by other players as visitor conduct on the course that is not in accordance with expectations or policy. In both instances please contact the pro-shop who will attend to the matter rather than instruct appropriate behavior directly. The pro-shop has been trained in the correct approach to these matters. Members in the past offering direction to visitors as to correct behaviors have resulted in complaints being received. This can have the effect of our club gaining an unwelcoming reputation.

LIGHTNING RISK WARNING At any time when there is storm activity nearby there is a significant risk of being struck by lightning. Due to the unpredictability of lightning strikes it is not possible to determine when players are at risk. The Club will not be liable for death or injury by lightning by attempting to forecast it. Players should seek shelter inside an enclosed building without delay if there is a risk. As a general advice places and things to avoid include:-

- small structures or sheds
- open fields
- in close proximity to the tallest localised structure (eg surveillance tower, tree, light pole, antenna)
- umbrellas
- swimming pools, lakes, dams or water generally

Persons should also refrain from holding or contacting metal objects or using devices connected to electrical or phone lines.

Likewise, storms can exacerbate the possibility of falling objects such as tree limbs. Bowral Golf Club has adopted a policy common to many golf clubs in that it is the responsibility of each player to check weather forecasts before playing at Bowral Golf Club.

MOBILE PHONES

On the Course: Mobile phones on the course must be set to ‘Silent’. Phone calls on the golf course should be for emergencies only.

In the Clubhouse: Mobiles in the clubhouse must be set to ‘Silent’. For phone calls please excuse yourself from the clubhouse.
