

BOWRAL GOLF CLUB
KANGALOOON ROAD BOWRAL NSW 2576

Dear Members,

The following are extracts of the criteria applicable to visitor players to BGC. They are located across various club documents and are collated here for ease of reading. In addition, some other club rules are reiterated as they are in need of highlighting.

MEMBER'S GUESTS: On any competition day, playing members may invite visitors at the payment of the member guest green fee plus competition fee. This privilege does not extend to six-day playing members on Saturday competition days. Six-day members may play on Saturdays by paying the full green fee plus competition fee but are not eligible to win Trophy or medal events.

Members' guests are not eligible to win Trophy or medal events. A Member may invite the same guest no more than 3 times in any one year.

Member's guests may only play socially or a maximum of three occasions before he or she will be invited to become a member of the Club.

Social members and golfing members are not allowed to be another member's guest and must pay the full visitor green fee plus applicable competition fees.

VISITOR'S: Visitors are welcome to visit the club both socially and for a golfing event. Visitors residing within 5 kilometres of the club may be signed in by a full member on 3 occasions only. Visitors attending a club approved function are not required to sign in.

OTHER REGISTERED GOLF CLUB MEMBERS

Playing members of other registered golf clubs (with current Australian handicap) are welcome to play in competitions for payment of normal green fees plus the nominated competition fee. Visitors are not eligible to win Club Trophies or Medals or to compete in the Club Championships.

VIRTUAL CLUBS

Players who hold a membership to Virtual golf clubs, Golf websites or to clubs that offer distance memberships in order to obtain a golflink number are not permitted to enter club competitions. Examples of non-complying clubs are: Qantas Golf Club, Howlong GC, Tully Park GC, The Ridge GC, Belowthepin and Futuregolf. Players should check their eligibility before entering our competitions to avoid disappointment. The Captain may make a discretionary call for special events.

PRACTICE

The Club has a practice putting green adjacent to the clubhouse terrace. There is a practice area and chipping green between the 1st Tee & the 18th green. Members may hire range balls from the pro shop. Members may also play practice strokes to an adjacent fairway in the direction of play from any area of rough on the Course,
